2020 VINTAGE

2020 was marked by very mild temperatures and contrasting precipitation: spring rainfall was followed by an intense summer drought. The fairly mild winter led to early bud break. The summer heat gave way to cool nights in late August, ideal for ripening grapes.

RATINGS AND REVIEWS

GILBERT & GAILLARD - 07.01.2021

Light crimson red colour with purple hues. The nose has a very welcoming, fresh red fruit. On the palate, a full body, delicate tannins, a greedy aromatic length, an attractive youth. Typical Cabernet to start the conversation.
