Characteristic:

Formerly called Vin de Pays d'Oc, this IGP regional wine since 2009 is part of a region in France that produces the most vin de pays. The vineyard, between mountains, valleys and oceans, with very diverse soils, covers more than half of Languedoc wine production.

Wine making process & maturing:

The grapes are pressed directly after harvest, then the alcoholic and malolactic fermentations take place 100% in stainless steel vats. Aging lasts around 12 months before bottling.

Tasting notes:

Pale crystalline yellow color. This Sauvignon offers an intense nose with citrus and fruity notes of great finesse. The attack is nervous with a beautiful persistence of the aromas. The palate is balanced, ample and harmonious.

Food accompaniment:

Eat alone as an aperitif, or with white meat, veal, seafood and some fish.

Founded in 1947 by Marcel-André Goichot, the reins of Maison Goichot have been held by this son, André-Marie Goichot, since 1987. Since the Goichot family has several vineyards, including one located in Côte de Beaune and the other in Côte Chalonnaise, it is possible for them to offer most Burgundy appellations.
